

Results of the Third Annual Everett Steelhead and Salmon Club Blackmouth Derby

The derby was held on March 20, 2010 and the results were as follows:

There were 100 tickets sold and thirty fish were weighed in (some anglers caught more than one fish but the rules were one fish per angler). The majority of the weighed fish came from Saratoga Passage and most were caught on herring, either cut plug or whole. All fish were cleaned and gilled prior to weigh in.

1st place and \$3000 went to John Bullinger who turned in an 18.5 pound fish caught off Greenbank with a herring.

2nd place and \$1500 went to Norm Chaing aboard Tom Burlingame's Excel Charters. Norm caught his 14.29 pound fish off Baby Island using a green squid and Berkley "gulp".

3rd place and \$500 went to Debbie Buse with a 13.55 pound fish caught off Hat Island using a candle fish lure.

4th place and \$250 went to Steve Stout for his 13.14 pound fish caught at Onamac. Steve turned around and donated his prize to the Everett Steelhead Youth Organization to help young people learn about the great sport of fishing.

There were equipment prizes for many of the additional fish and the \$300 (donated by Gregg's Custom Rods) mystery weight prize went to Craig Nicholson for his fish weighing 8 pounds 9 oz.

The derby was very successful, the weather was good, the fish cooperated for many of the anglers and we all look forward to next year.
