Maps For The Serious Angler John's Sporting Goods 52 13 18 Y 48 15ft Priv DECREASE 24 N '8 Tide Guemes Island is another great place to go crabbing. This area is not quite as busy as it is at Saddlebag Island. 24 Set your pots in 35-50 feet of water in this area. If you Jack Island want Red Rock Crab, the southern portion of the area that P Sh I have defined on the map is the place to set your crab pots. For Dungeness crab, the area between Jack Island and Guemes is the best area. 13 R '4" FIR Indian 13 64 Е М 2.5s 73ft 4M '6' Guemes Island Crab
