John's Sporting Goods

Fish these areas on Hein Bank and Middle Bank for Halibut. Middle Bank has to be fished when the tides are not very strong. Hein Bank has strong tidal flows too, but not as bad as Middle Bank.

Spreader bars with herring, octopus or squid are good baits. Large plastic squid can also be used in combination with bait. Be prepared to use from 12 to 24 ounces of lead weight, depending on the tidal flows.

Fish in 90 to 150 feet of water and keep in contact with the bottom at all times.
