Fishing Maps

Maps For The Serious Angler John's Sporting Goods Fish these areas on Mc Arthur Bank for Halibut. Mc Arthur Bank has to be fished when the tides are not very strong. Pick your 57 tides around the smaller tides and around the tide changes. The average depth here is deeper than the other Banks in this area Spreader bars with herring, octopus or squid are good baits. Large plastic squid can also be used in combination with bait. prepared to use from 16 to 30 ounces of lead weight, depending on the tidal flows. Fish in 120 to 200 feet of water and keep in contact with the bottom at all times. OPERATING AREA (Navy 3) e note D) 1301 Mc Arthur Bank Halibut
