Maps For The Serious Angler

Fish this area for humpys. Fish 30-60 feet deep with a white dodger and small pink squid 16" behind the dodger. Troll very slowly. Don't be afraid to fish 60-90 feet deep after 10 AM in the morning.

Fish for humpys near the surface in the morning. Drop down ten feet deeper with each hour of daylight. Fish in the shipping lanes if you want to avoid the boat traffic closer to shore.

CAUTION
Temporary changes or defects in aids to navigation are not indicated on this chart. See Notice to Mariners.
