

Langus Park and Public Boat Launch. This is an improved launch with two docks. You can launch here at almost any tide. There is a small fee to launch.

Good fishing in this stretch of river in late September and Early October. This is a good area to troll for Coho. There is no public bank access in this area. This is strictly a boat fishing area.

Ebey Slough

Rotary Park and Public Boat Launch. This is an improved launch with a dock. It is very difficult and sometimes impossible to get a boat out or in at low tide. There is a small fee for launching

Good fishing in this stretch of river in late September and Early October. This is a good area to troll for Coho. There is a small amount of bank access in this area

This is a small boat launch in down town Snohomish. The launch is very steep and it has no dock. Do not launch here unless you have very experienced launching skills. Do not launch or take out at low tide.

Lower Snohomish Coho
