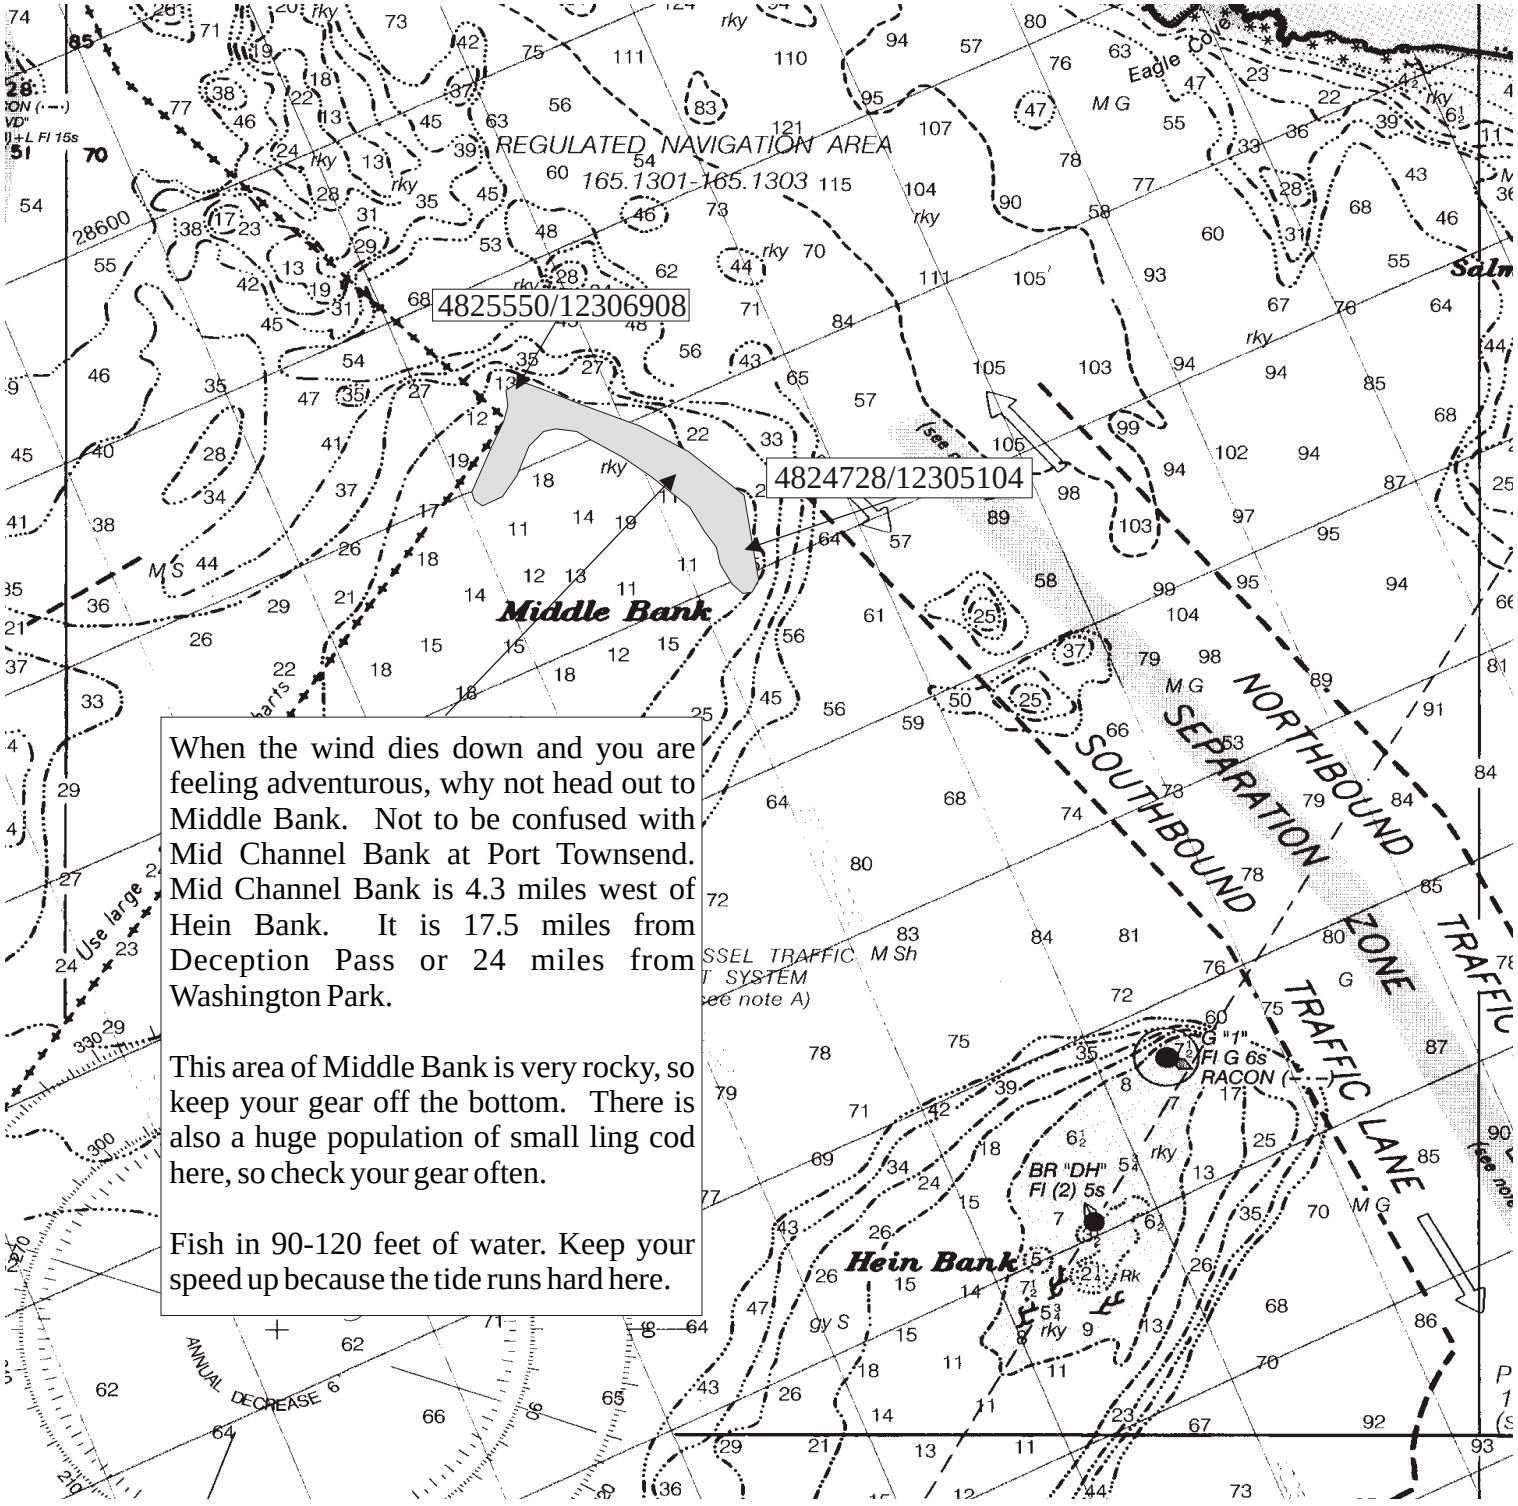
Maps For The Serious Angler



When the wind dies down and you are feeling adventurous, why not head out to Middle Bank. Not to be confused with Mid Channel Bank at Port Townsend. Mid Channel Bank is 4.3 miles west of Hein Bank. It is 17.5 miles from Deception Pass or 24 miles from Washington Park.

This area of Middle Bank is very rocky, so keep your gear off the bottom. There is also a huge population of small ling cod here, so check your gear often.

Fish in 90-120 feet of water. Keep your speed up because the tide runs hard here.
