

Fishing Maps

Maps For The Serious Angler

By John Martinis

Fish this area in Mutiny Bay for Chinook. Troll with downriggers in 90-120 feet of water. Only fish Mutiny Bay for Chinook on the flood tide. Start trolling in the center of the Bay and troll towards Bush Point.

Rigg one rod with a Gibbs UV Red Racer Flasher and a Goldstar 3.5 UV OAL12R squid. Put a strip of salted herring on the squid. Rigg another rod with a Gibbs UV Red Racer Flasher and a 3.5 Goldstar Kingfisher Spoon #964. This spoon is a green spatterback UV/Glow with a red stripe. These two rigs that I just mentioned will be used until you feel you are into a decent Chinook bite. Have another rod rigged with a set of hooks rigged for fishing with whole herring. If you tie your own hooks, I highly recommend using the Gamakatsu 4/0 black Big River Hooks.
