Maps For The Serious Angler

John's Sporting Goods

Shrimp these two areas along the shores of Camano Island. Set your pots in 250-300 feet of water. The closest boat launch is at Camano Island State Park. Shrimping in this area is not near as chaotic as it is in the Everett/Edmonds area. I think you will find some tranquility while shrimping here. You might have to work a bit harder to catch a limit of shrimp, but it will be worth it.
