

Steamboat Slough Pinks

Fish in this area for Pink Salmon. Use 1/4 ounce jigs with pink squid tails. Look for jumping or roving fish and cast toward them. This area fishes well on the last half of the incoming tide. Launch at Langus Park to get here.

Snohomish River

Steamboat Slough

Ebey Slough

Fish from shore right here. The river bank is rather steep so do not bring any children here. There is a walking/biking trail from Langus Park that will take to this spot.
